

Your Legacy of Hope:

Strategic Giving that Benefits You and
Cancer Support Community Pasadena

CHOOSING A PLANNED GIFT TO EXTEND YOUR LEGACY THROUGH CSCP

Your needs and desires

There are numerous benefits to you when you donate to CSCP through a planned gift. These may include an immediate income tax deduction, lifetime income, a reduction in your adjusted gross income on your taxes, or other benefits (summarized below). But most importantly, the gift you choose can extend your legacy of support well into the future by ensuring that CSCP is always ready to provide compassionate support, education, and hope to anyone impacted by cancer.

Choosing a Planned Gift to Meet Your Charitable Objectives

Bequest through your will or living trust results in a meaningful donation to CSCP while ensuring that you have adequate funds throughout your lifetime. A bequest is one of the simplest planned gifts to establish.

A Charitable Gift Annuity (CGA) provides the security of annual income as well as a significant donation to CSCP. A CGA can optionally provide annual income for another person that you designate.

An Endowment Gift ensures that CSCP has future resources to provide support and services through annual operating funds, and also provides you with a tax deduction for the principle of the endowment.

Fulfilling the minimum distribution requirements of your IRA by making a Qualified Charitable Distribution (QCD) reduces your taxable income and transfers the funds to CSCP tax-free. You can also minimize estate tax liability by leaving the remainder of your IRA to CSCP by naming us as the beneficiary.

Gift of a new or existing Life Insurance Policy allows you to make a significant gift to CSCP without depleting your financial reserves for future needs. This gift provides a charitable tax deduction with minimal upfront costs and no ongoing fees.

A gift of commercial, industrial or residential Real Estate or vacant land can result in a significant donation to CSCP, the maximum charitable tax deduction possible for you and reduced capital gains liability.

Donating appreciated Stock or Mutual Funds can result in an immediate donation to CSCP while minimizing your capital gains taxes and giving you the maximum charitable tax deduction possible.

A gift through a Trust can provide you with income for life or provide a legacy to your heirs while making a donation (current or deferred) to CSCP.

Why a Planned Gift may be a wise choice

In addition to receiving various financial benefits as a result of your planned gift, you become a member of our Legacy of Hope Society, a group of likeminded men and women who share your commitment to making sure that future generations will have our support on their cancer journey. Additionally, you will have the assurance that your life will be a living legacy, benefiting people through the work of Cancer Support Community Pasadena for generations to come.
