

Your Legacy of Hope:

Strategic Giving that Benefits You and
Cancer Support Community Pasadena

WHEN TO CHOOSE A GIFT OF STOCK OR MUTUAL FUNDS

Your needs and desires

You desire to provide an immediate donation to Cancer Support Community Pasadena while minimizing capital gains taxes. In addition, you want to receive the maximum charitable tax deduction possible for your donation.

Why a Gift of Stock or Mutual Funds may be a wise choice

Donating appreciated stock or mutual funds directly to Cancer Support Community Pasadena offers you several benefits while strengthening our work:

- n You may deduct the present market value of the asset from your income tax (up to 30% of your adjusted gross income), regardless of your cost basis. A contribution amount that exceeds the threshold may be carried over for up to five years.
- n By donating the asset (rather than selling it and donating the proceeds), you eliminate your capital gains taxes. (If the asset has depreciated in value, you will want to sell it and donate the proceeds so you can claim the capital gains loss.)
- n You will be welcomed into our Legacy of Hope Society, a group of likeminded men and women who share your commitment to making sure that future generations will have our support on their cancer journey. As a member, you will be entitled to all benefits of this exclusive society.
- n You will be assured that your life will be a living legacy through the work of Cancer Support Community Pasadena.

How to give a gift of Stock of Mutual Funds

Please work directly with your financial advisor or mutual fund manager to arrange a donation of stock or a mutual fund to CSCP. We welcome an opportunity to have a confidential conversation with you and/or your advisor at no obligation if you desire.
